Farmington Police Department News

Training: In July, officers have completed 8 hours each of Active Shooter Training (MAC) and 4 hours each of Autism for First Responders training conducted by Chaplain Kevin Kappler.

Equipment: A bid was accepted for the radio purchase, and we are awaiting delivery.

Staffing: The total number of **active officers** is 30, plus 2 ACOs and 2 office staff.

Medical Leave – 2

Military Leave – 1

Hiring Process - 1

Vacancies – Total of 2

We have two vacant Police Officer positions. We have one new Police Officer hire who is scheduled to start in August.

Ricky Phillips started 7/28 as an Animal Control Officer.

Kailee Arnold started 7/28. She was recently hired by the department as part of a new training initiative. Under this program, she spends the first half of her shift working at the Police Department and the second half riding with senior officers. This structure allows her to become familiar with the city's streets, as well as the department's policies and procedures. She is scheduled to be sworn in as a commissioned officer on her 21st birthday in September.
