**GREAT  
FUTURES**

The Campaign *for* Sevier County Youth

**Why Give?**

Giving is a personal decision and our individual reasons for contributing are many. But we have at least one common purpose - to support the reason we're all here - *the kids!*

As Board members, we have the privilege of guiding this organization for our Club members. The **Great Futures Campaign** allows us the opportunity to show that we believe in our Club members' potential.

As you know, program fees and grants do not cover the entire cost to guide and mentor our kids each year. In fact, in 2023 it cost approximately \$2,300.00 to serve each child. Your gift helps make up the difference to ensure that our kids have the best after school and summer program to help them reach their full potential as productive, caring and responsible citizens.

***A 100% Board giving percentage is a strong endorsement that the Boys & Girls Club of the Smoky Mountains is a worthy place and is deserving of financial investment by members of our community.***

Ultimately, your participation is a vote of confidence in the Boys & Girls Club of the Smoky Mountains and its future!

**How much should I give?**

Any amount that feels meaningful and comfortable for you. Participation is truly our number one goal each year. Every gift will make a difference and is greatly appreciated! **Thank you** for your thoughtful consideration.

***Lorraine Hendricks Memorial Scholarship***

I would also like to make an additional gift to support the Lorraine Hendricks Memorial Scholarship Fund for the Youth of the Year program in the amount of \$ \_\_\_\_\_. Please contact me regarding payment.
