2021-22 GRANTS AWARDED

DELTON KELLOGG Education Foundation

Thirty grants totaling **\$36,655.87** supported classroom initiatives at Delton Kellogg Schools. These grants have been funded by both the Delton Kellogg Education Foundation and the Delton Educational Enrichment Fund, which was provided by Bud and Doris Leonard.

DELTON KELLOGG ELEMENTARY SCHOOL \$10,698.50

\$1,300 Funded three grants to provide new library books in several classrooms.

\$3,198.85 Replaced seven rugs for kindergarten, first and second grade classrooms encouraging renewed group instruction.

\$2,200 Provided literacy book-bag type carrying cases designed to hang from the back of a student's chair – for all students kindergarten through fourth grade.

\$764 Funded two grants to provide new sets of headphones for kindergarten classrooms.

\$889.45 Granted students chair pockets and bags, giving additional storage spaces at the desks.

\$300 Offered kindergarten students with speech impairments additional support through trade books designed to improve their reading education.

\$110 Funded "Bjorem Speech Sound Cubes" to provide students with easily relatable sound cues to improve their ability to properly pronounce specific sounds.

\$1,436.20 Purchased "Secret Stories" to enhance first grade phonics learning with additional tools meant to make learning more hands-on and enjoyable.

\$500 Funded sensory items to offer students a chance to calm down quietly in a classroom environment.

DELTON KELLOGG MIDDLE SCHOOL \$1,280

\$500 Funded new library books in several classrooms.

\$780 Purchased sensory items to offer students a chance to calm down quietly in a classroom environment.

DELTON KELLOGG HIGH SCHOOL \$24,677.37

\$4,598.31 Replaced and purchased new equipment and instruments for the band program.

\$1,665.26 Granted Atom Model and Forensic Science kits to enhance and ease learning in science courses.

\$2,537 Funded Vernier Data Collection probes to further enhance a scientific learning environment.

\$450 Purchased Catan Board games to creatively educate economics students on topics like scarcity, business cycle, GDP, inefficiency and production possibilities.

\$913.44 Provided English classroom supplies such as white board, markers, erasers, large post-it notes and motivational posters related to classroom readings.

\$1,000 Funded additional French language learning books.

\$1,018 Granted students additional tools to improve their financial literacy at a young age.

\$1,847 Provided students with supplies required for participation in water quality projects for a program at Pierce Cedar Creek Institute.

\$2,574.54 Purchased picnic tables to provide students with an outdoor learning space under the solar panel pavilion.

\$2,500 Provided students with a full experience growing various vegetables.

\$2,500.91 Granted students a space to organize tools for use in the DKHS outdoor learning space.

\$500 Funded participation incentives for students' Decision Day celebration.

\$2,572.91 Purchase succulents, soil and pots to build a classroom business for the DKHS Independent Living Class.

CONGRATULATIONS!

Trevor Aukerman

My name is Trevor Aukerman, and I was fortunate enough to be one of the recipients of the Delton Kellogg Education Foundation Scholarships in 2017. Finding out that I was chosen by members of my community as one of the students who would receive the scholarship helped validate that all the hard work done both academically and through extra-circular activities, had not gone unrecognized. Coming from a middle-class family, I was not given much student aid to combat the cost of attending college, but luckily the DKEF scholarship helped mitigate some of those financial worries.

After graduating from Delton Kellogg, I enrolled and attended Grand Valley State University (GVSU) where in 2021 I received my bachelor's degree in Clinical Exercise Science and in the spring of 2022 my master's degree in Athletic Training. Throughout my time at GVSU as an undergrad, I continued my community involvement volunteering at Age Well's Services at the Georgetown Connections in

Jenison and spent a summer as camp counselor for visually impaired children at Opportunities Unlimited for the Blind. In grad school I was lucky enough to have clinical rotations as a student athletic trainer at Forrest Hills Eastern High School, Muskegon High School, GVSU swimming/diving and women's lacrosse, and Butler University's football team.

I'm currently a Certified Athletic Trainer and was hired by Spectrum Health this summer and have moved back to Barry County after staying in Grand Rapids for my 5 years of college. I split my time as an athletic trainer between Quality Aluminum Products in Hastings and working with student-athletes at Hastings High School. I am forever grateful for all the people I met and experiences I had while attending college, but more importantly I love being back in Barry County and wish to continue working and serving the community I grew up in.

Board Members

From the back row L/R:

Dr. Herman Lartique (DKS Superintendent),

Jerry McCoy, Connie High,

Marsha Bassett (President),

Julie Osgood (Secretary),

Ananda Jenkins (Vice President),

Jon Cannell, and Annie Halle (BCF/DKEF Liaison)

Not Pictured: Doreen Stanton (Treasurer),

Jan Hartough, Braedon Waller and David Stoll.
