OPERATION
Breakthrough

Dear Todd,

This holiday season, our hearts are full and it's all because of you and everyone at Aspire Wealth Management.

We can't thank you enough for the incredible generosity and the effort you put forth to help bring holiday joy to over 3,700 children in Kansas City. Our holiday store was brimming with such a variety of toys, parents were excited to be able to choose just the right toys for their children. Volunteers helping parents shop told us over and over how fun it was to help them shop and how happy and grateful they were. Parents were excited to give not only toys but books, family games and trinkets for their stockings. Your support provided gifts under the tree that helped parents care for their families with a peace of mind.

A mother called after the holidays in tears. For weeks, she had worried about how to make Christmas feel special this year. On Christmas morning, there were toys they had hoped for, warm clothes they needed, and smiles that stretched ear to ear.

Because of generous donors like you, families like this mom were able to create meaningful moments, enjoy time together, and feel the magic of the season. What you gave wasn't just gifts, it was peace of mind, smiles, and memories that will last long after the holidays.

Operation Breakthrough has provided Christmas for 3 decades and only because of friends like you, are we able to make the holidays wonderful for so many of Kansas City's children.

From all of us, and from every family you helped this season, thank you for making Christmas brighter, warmer, and full of hope.

With heartfelt thanks,
