- On Thursday, April 24, 2025, around 11:30pm, Sheriff's Deputies responded to a welfare check of a possible domestic violence assault victim at the MaxFuel convenience store off KY 293 near I-24 exit 45. The investigation revealed that Uriah R. Roe (27) of Overland Park, KS was traveling with his mother in a vehicle on I-24 in Lyon County when Roe reportedly began assaulting his mother repeatedly about the head/face while she was driving. The two exited I-24 and stopped at the MaxFuel location where the mother came into the business. While in the store, the victim sought assistance from a male clerk after he observed blood about her nose and mouth. The clerk called 9-1-1 and requested assistance for the victim. Roe then entered the store and was irate and menacing before fleeing the area on foot. Once he was out of sight, the victim fled to her car and departed the area.

A Deputy Sheriff arrived on the scene and located Roe walking on KY 293 with a shepherd-mix dog on a leash. When the Deputy attempted to detain Roe, he resisted arrest and tried to flee on foot. He was the recipient of a Taser deployment which momentarily incapacitated him. The dog which accompanied Roe attacked both the owner and the Deputy causing injuries to both.

A second Deputy Sheriff arrived and discharged his issued firearm at the dog before it could attack either subject a second time. The dog then ran off, as did the suspect. The second Deputy rendered aid to the injured Deputy and called EMS to assist him. A significant ground and air search (via drone) was conducted until after 4am the following date; however, neither the dog nor the fleeing suspect (Roe) were located.

Beginning around 6:45am the next date, multiple 9-1-1 calls were received reporting Roe being on foot off KY 818 South and going up to multiple houses in the 1000 block. Deputies and Troopers converged on the area and a drone was again deployed by EM Director Randy Wright, in an effort to locate Roe. The Sheriff's Office received a call just before 8:30am that Roe and a dog were seen on I-24 between the 46 and 47-mile marker. Troopers located Roe and the injured dog together around 8:30am at the 47-mile marker. He was taken into custody without further incident. Roe declined medical attention. The dog was obviously severely injured and it was turned over to the Lyon County Dog Warden who transported it to a local veterinarian for treatment.

At the time of this offense, Roe was listed as a Missing Person from Kansas in the NCIC database. Roe has been initially charged with Assault-4th Degree (domestic violence), Fleeing/Evading Police-2nd Degree (felony offense), Resisting Arrest, and Harboring a Vicious Animal. Roe was lodged in the Crittenden County Detention Center. The female victim in this case has been identified, located safe in Tennessee, and interviewed. The injured Deputy was treated and released at a local hospital for his injuries. The investigation is continuing by Chief Deputy Sam Adams with assistance from Deputies Josh Travis and Shannon Oliver.

She was lodged in the Crittenden County Detention Center.

His investigation revealed a 2007 Peterbilt, driven by Ivan P. Levenets (40) of Hollywood, FL was repositioning his vehicle in a gravel parking lot off Days Inn Drive when his vehicle sideswiped a 2019 Kenworth, driven by Renteria O. Javier (39) of Laredo, TX. There were no injuries in the collision; however, Deputy Oliver determined Levenets was under the influence of alcoholic beverages and he arrested Levenets, charging him with DUI-1st Offense. Levenets refused a breath test and a search warrant was petitioned by Deputy Oliver to District Court. A search warrant was authorized by the Court and a blood sample was obtained. Levenets was later lodged in the Crittenden County Detention Center.

Davis (23) of Knoxville, TN, was backing out of a parking space at the BP convenience store when the driver collided with a parked and unoccupied 2019 Toyota Camry, owned by Britney Conway (46) of Fredonia. - On Sunday, April 27, 2025, at 10:30am, Sheriff Brent White responded to a two-vehicle, non-injury collision at the intersection of US 62 West and KY 810 North. His investigation revealed a 2013 GMC 2500 pickup truck, driven by Cody W. Kirkwood (29) of Lucedale, MS was East bound on US 62 West when he failed to stop for a 2011 Chevrolet Cruze, driven by Tyler R.
