ATTENTION CAPTAINS & LEAGUE PLAYERS: I play in another League where everyone in the league must pay \$40 a season to the person who logs the scores. I don't want \$40, I want score sheets and dues turned in **ON TIME** please. This makes logging and posting the information simple. It becomes frustrating, tedious and time consuming, when I have to enter the data over and over because someone wants me to work on their time. I have set aside a time in my busy life as well, to work on stats and post stats in the website no later than Sunday night.
