Welcome to our new digital Parish Pictorial Directory! It is my pleasure to present this directory to the parishioners of St. Raymond!

This Pictorial Church Directory is a great way to connect names and faces within our church family which in turn, will be a tremendous way to connect on a more personal level.

Fr. Bill was born and raised on the Southside of Chicago. He has two brothers and a sister. Fr. Bill spent 13 years in formation with the Augustinians—including earning an undergraduate degree from Villanova University and a graduate degree from Catholic Theological Union--before coming to the Diocese of Joliet.

In the summer of 1985, he was assigned to St. Raymond. For a year, he worked at the Cathedral as the final phase of his formation, being ordained to the diaconate in November, 1985 and to the priesthood in June, 1986. During his first time on staff, he worked closely with Deacon Ed Petak. In fact, they shared an office and continue to be close friends more than 30 years later.

After ordination, Fr. Bill spent 13 years at various parishes as parochial vicar before being assigned his first pastorate at St. Joseph in Bradley. That assignment was followed by six years as pastor at Holy Family in Shorewood until he was named Vicar for Priests in 2007.

As Vicar for Priests, Fr. Bill serves as the personnel director for the priests in the Diocese. He's done this demanding job for 11 years. Since 2016 he has also served as pastor for Sacred Heart Parish in Joliet. He'll continue as Sacred Heart pastor along with being the Cathedral rector.

About: Born and raised in Bourbonnais, Fr. Michael is the only child of Todd and Deb Groth. He attended St. Martin of Tours Parish in Kankakee, where he also attended grade school. He then attended and graduated from Bishop McNamara Catholic High School in 2011 and continued to Kankakee Community College, where he was pursuing a degree in accounting with hopes of transferring to the University of Illinois. The Lord had other plans. Fr. Michael graduated from St. John Vianney College Seminary in 2016 and virtually “graduated” Mundelein Seminary in 2020. Bishop Pates ordained him to the priesthood of Jesus Christ on June 20, 2020.

His first two years of priesthood, he was assigned as a parochial vicar at Ss. Peter and Paul in Naperville and chaplain at Benet Academy in Lisle. In 2022, he was assigned full-time as the parochial vicar of St. Joseph in Downers Grove. He is also the founding member of the Companions of Christ, a priestly association in the Diocese of Joliet. Established in 2020 Companions of Christ is based on the model that exists in two other dioceses, with the central hallmark being priestly support and fraternity. While at St. Raymond Fr. Michael will remain a member of this association while taking up residence at the Cathedral rectory. Further information about our association is available on our website: companionsofchristjoliet.org.

Religious Education Program

Our Religious Education Program approach to faith formation interweaves the teaching of virtues, worship, prayer, community, and service.

Students are guided by adults using appropriate teaching techniques for each grade level. Students grow in knowing Jesus Christ, living the Catholic faith, understanding the sacraments, forming a life of prayer, and learning the teachings of the Church.

Promised Land Gardens

Volunteer gardeners adopt the beds and cultivate the crop. All food harvested from the gardens is donated to local food banks, shelters, soup kitchens and other social agencies that provide for people in need.

It feeds the poor and is a visible witness to the community.

Volunteers are responsible for deciding what to plant, acquiring plants or seeds and maintaining their bed fully throughout the growing season.

Lego and Fellowship Event

A huge thank you to Matt Siegel, St. Raymond Grade School class of 2001, for sharing his creation with us! Matt wanted to build something he was familiar with and that he had never seen built in Lego before., He was also looking for a building that would present a higher level of difficulty to build that would provide new building challenges.

The build took about 4 months to collect all the pieces and build the display. Approximately 20,000 pieces were used to complete the build.

Matt's creation was on display at Brickworld, a traveling Lego convention, held every June, in Schaumburg, Illinois.
