Message of the Holy Father Leo XIV for Lent
Listening and Fasting

Dear brothers and sisters,

Lent is a time in which the Church, guided by a sense of maternal care, invites us to place the mystery of God back in the center of our lives, in order to find renewal in our faith and keep our hearts from being consumed by the anxieties and distractions of daily life.

Every path towards conversion begins by allowing the word of God to touch our hearts and welcoming it with a docile spirit. There is a relationship between the word, our acceptance of it and the transformation it brings about. For this reason, the Lenten journey is a welcome opportunity to heed the voice of the Lord and renew our commitment to following Christ, accompanying him on the road to Jerusalem, where the mystery of his passion, death and resurrection will be fulfilled.

Listening

This year, I would first like to consider the importance of making room for the word through *listening*. The willingness to listen is the first way we demonstrate our desire to enter into relationship with someone.

Our God is one who seeks to involve us. Even today he shares with us what is in his heart. Because of this, listening to the word in the liturgy teaches us to listen to the truth of reality. In the midst of the many voices present in our personal lives and in society, Sacred Scripture helps us to recognize and respond to the cry of those who are anguished and suffering. In order to foster this inner openness to listening, we must allow God to teach us how to listen *as he does*. We must recognize that “the condition of the poor is a cry that, throughout human history, constantly challenges our lives, societies, political and economic systems, and, not least, the Church.”^[1]

Fasting

If Lent is a time for listening, *fasting* is a concrete way to prepare ourselves to receive the word of God. Abstaining from food is an ancient ascetic practice that is essential on the path of conversion. Precisely because it involves the body, fasting makes it easier to recognize what we “hunger” for and what we deem necessary for our sustenance. Moreover, it helps us to identify and order our “appetites,” keeping our hunger and thirst for justice alive and freeing us from complacency. Thus, it teaches us to pray and act responsibly towards our neighbor.

However, in order to practice fasting in accordance with its evangelical character and avoid the temptation that leads to pride, it must be lived in faith and humility. It must be grounded in communion with the Lord, because “those who are unable to nourish themselves with the

word of God do not fast properly.”^[3] As a visible sign of our inner commitment to turn away from sin and evil with the help of grace, fasting must also include other forms of self-denial aimed at helping us to acquire a more sober lifestyle, since “austerity alone makes the Christian life strong and authentic.”^[4]

In this regard, I would like to invite you to a very practical and frequently unappreciated form of abstinence: that of refraining from words that offend and hurt our neighbor. Let us begin by disarming our language, avoiding harsh words and rash judgement, refraining from slander and speaking ill of those who are not present and cannot defend themselves. Instead, let us strive to measure our words and cultivate kindness and respect in our families, among our friends, at work, on social media, in political debates, in the media and in Christian communities. In this way, words of hatred will give way to words of hope and peace.

Together

Finally, Lent emphasizes the communal aspect of listening to the word and fasting.

Our parishes, families, ecclesial groups and religious communities are called to undertake a shared journey during Lent, in which listening to the word of God, as well as to the cry of the poor and of the earth, becomes part of our community life, and fasting a foundation for sincere repentance. In this context, conversion refers not only to one’s conscience, but also to the quality of our relationships and dialogue. It means allowing ourselves to be challenged by reality and recognizing what truly guides our desires — both within our ecclesial communities and as regards humanity’s thirst for justice and reconciliation.

Dear friends, let us ask for the grace of a Lent that leads us to greater attentiveness to God and to the least among us. Let us ask for the strength that comes from the type of fasting that also extends to our use of language, so that hurtful words may diminish and give way to a greater space for the voice of others. Let us strive to make our communities places where the cry of those who suffer finds welcome, and listening opens paths towards liberation, making us ready and eager to contribute to building a civilization of love.

I impart my heartfelt blessing upon all of you and your Lenten journey.

From the Vatican, 5 February 2026, Memorial of Saint Agatha, Virgin and Martyr

LEO PP. XIV

**OUR LENTEN PARISH MISSION
February 22-26 in the church**

Our missions will be given on both a morning and evening track. The morning missions will begin with daily Mass at 8:00 am and the evening missions will begin with Vespers at 7:00 pm. Then we will have a talk, then close with Adoration and Benediction. Total time is approximately 90 minutes. The morning and evening talks are the same, you do not have to attend both unless you want to. The materials are from Deacon Filip's book, "Pearls of the Universal Church" which will be for sale, so you don't have to worry about taking notes. Although each talk leads into the next, they will also stand alone, so if you can't come to all of them, come to what you can. Here is the detailed schedule:

Sunday 7:00 pm session

1. Who is God, and who am I in relation to him?

Monday 8:00 am session 1, 7:00 pm session 2.

Who is Jesus and why did He die for me?

Tuesday 8:00 am session 2, 7:00 pm session 3.

What is my response to Jesus? (Prayer, spirituality, discernment.)
