Payment Policy

To lose someone you love is a devastating experience. Therefore, it is important to be realistic with respect to funeral expenditures. We do not want your choices to be more than is affordable, nor less than you would like. It is important that the arrangements be in keeping with your wishes and budget. We are a family operated business, and we treat every family we serve as fairly and equally as we can. In an effort to provide the finest services possible, we request that 25% of our services and merchandise and the total of all cash advance items be paid at the conclusion of the arrangement conference. If the full payment of the funeral expense balance is not received within a 30-day timeline, a late payment fee of 1% (12% per annum) will be added to the unpaid balance. In order to be fair to each family we are called upon to serve, there are no exceptions to this policy.
