FREE 3M hand pad  
selection chart

Scotch-Brite™ Hand Pads give you a fast, consistent scuff for everyday surface preparation. Ideal for cleaning parts and scuffing prior to staining and painting, 3M hand pads are great alternative to steel wool, offering comparable performance without the rusting or splintering. Choose Scotch-Brite™ 7447 for general purpose, less aggressive use for a fine finish, or 7448 for least aggressive use for an ultra fine finish.
