Kilnwood Vale Primary

Welcome to Rocketeers

Founded by Amy Graham, a primary school teacher and Ciara Keane, a Business Manager at a very reputable childcare provider, Rocketeers opened its first site in January 2016 at Kingslea Primary School. Since then, armed with a wealth of knowledge in education and childcare, Rocketeers has gone on to open additional sites. We are very proud of our accomplishments to date and continue to build upon the strong reputation that we are developing locally. We feel it clearly demonstrates our dedication to providing a quality childcare solution to local parents.

Rocketeers was formed with the objective of providing a safe, secure and relaxed environment in which children could thrive. To meet this objective, we think it essential to be situated in familiar surroundings, hence the concept of being on the school site. Not only does this provide comfort to children, it provides parents with peace of mind whilst offering an affordable and guilt free childcare solution.

Our Club follows the Playwork Principles. We have a different theme every week (or two) providing variety to our activities, children are also free to pursue their own interests if they'd prefer. There will always be a selection of resources available, including dressing up, home corner, craft, board games, construction, physical play, reading and have access to our equipment library. Every child is unique we make every effort to meet individual requirements and needs.

Please feel free to get in touch with any questions that you may have.

All our staff are DBS checked, fully trained in safeguarding, and paediatric first aid trained. We are proud to provide a warm, caring and professional environment for all children.

Some members of senior staff also have designated roles:

Amy Graham: Special Educational Needs Co-ordinator, Designated Safeguarding Lead.

Ciara Keane: Health and Safety Office, Fire Safety Officer.

New Starters

All Reception starters will be assigned a key worker to support their transition and development. For the first half term, this role will be undertaken by the Site Manager. After this, your child's key worker will be assigned based on the staff member they feel most comfortable with, helping to ensure they feel secure, supported and settled.

You and your child are welcome to visit Rocketeers before your child's first day, wherever possible, to help familiarise yourselves with the setting and support a smooth transition.

Arrivals, Departures & Attendance

For Breakfast Club, children can be dropped off from **07:15am**. For Afterschool Club, children must be collected by **6:00pm**.

Children should be collected by a parent/carer or a person named on your account. If someone different is collecting your child who is not listed on the system, you must let us know in advance. They will need to provide your collection password.

If a member of staff asks for your password, please don't worry. Our team are encouraged to request this if they are unsure, as part of our safeguarding procedures.

We are required to monitor attendance, so if your child is unable to attend a booked session, please let us know. This ensures our team does not need to follow up with a check-in phone call.

Late Collection

If you are delayed beyond our 6:00pm finish time, please call to let us know. A late collection fee of **£10.00 per 15 minutes** will apply.

SEN Needs

We make every effort to accommodate and welcome any child with additional needs. We will work in liaison with parents or carers and relevant professionals to fully understand your child's specific requirements.

Each case will be considered individually and risk-assessed to ensure everyone's safety, whilst working within Rocketeers' limitations.
