

Welcome to the Willow Fork Ladies Tennis Association (WFLTA)

Your Game. Your Community. Your Club.

Welcome—or welcome back!—to the **Willow Fork Ladies Tennis Association** at Willow Fork Country Club.

Whether you're a seasoned competitor, a weekend warrior, or just rediscovering your love of the game, our mission is simple: **to advocate for you and enhance your tennis experience at the club**. This goes beyond supporting our leagues and matches—it's about building a strong, supportive community of women who love tennis as much as you do. We do this by organizing events, supporting league play, and representing your voice with the club and tennis staff.

The WFLTA is led by a dedicated volunteer board that works to organize and support ladies' tennis at the club. Our current board members are:

- **Kristy Smith**, President
- **Gabby Montes**, 1st Vice President, Publicity
- **Maggy Britton**, 2nd Vice President, Hospitality
- **Andrea Verges**, 3rd Vice President, Membership
- **Jolena Tu**, Secretary
- **Catherine Popovici**, Treasurer

Our calendar is full of exciting opportunities this season—from casual play days to themed socials and competitive match play. Here are just a few of the annual events our members enjoy:

- **Winter Party** – A Friday night in January with no tennis, just fun! We get dressed up, dance, and celebrate the season together.
- **Love Our Pros** – A heartfelt event to cap off our spring season where we thank our pros with group drills followed by lunch and a bonus from our members.
- **Back to School Social** – A fun, drill-based morning on the courts as we shift back into fall routines.
- **Red, White, and Blue** – A festive evening of tennis, food, and fun inspired by the US Open—partners (on and off the court) welcome!

We maintain an up-to-date member list to assist team captains and our tennis pros in growing and supporting our programs. We're proud to serve as your advocates and organizers. If you have suggestions or ideas for events, please reach out—we're always open to new ways to grow and strengthen our tennis community.

Annual dues: \$40 (Charged to your WFCC account Aug 1), Pro-rated: \$20 (New membership from Jan 1 - Apr 30)

Let's serve up a fantastic season together!

Warmly,

Kristy Smith

President, Willow Fork Ladies Tennis Association
