

PBM Reform saves Kansans money

Before PBM Reform

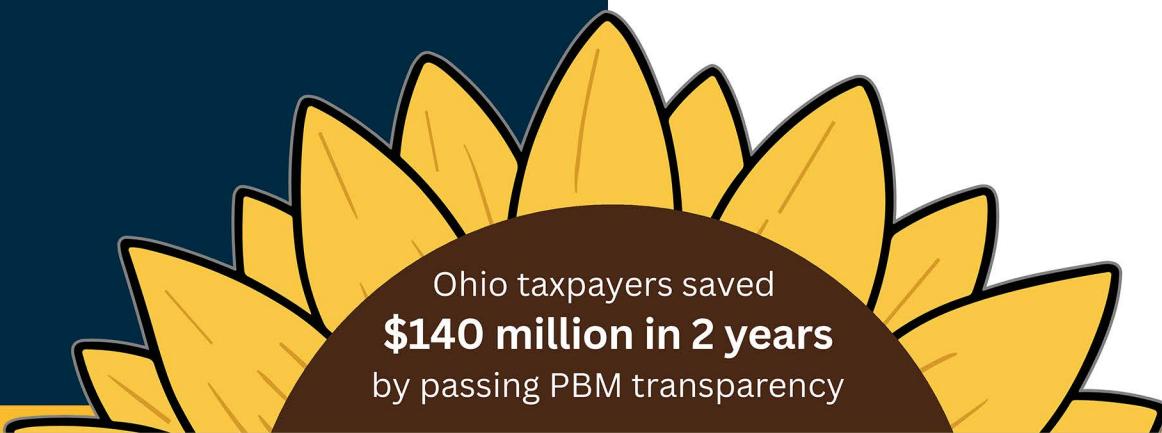

- No visibility into PBM practices
- Drug pricing is complex & expensive
- PBMs charge hidden fees
- PBMs pocket savings meant for patients
- PBMs overpay their own pharmacies while underpaying independents and chains

Kansans can't see what they are paying for

After PBM Reform

- Pricing is fully transparent
- Eliminates hidden fees & pricing schemes
- Stops PBMs from overpaying their own pharmacies
- Provides fair reimbursement to local pharmacies

Transparency lowers costs for patients and employers

Ohio taxpayers saved
\$140 million in 2 years
by passing PBM transparency
