\$300

Package Price

What We'll Work On

Grip, setup, posture, short game, full swing fundamentals, and scoring skills that transfer to the course.

Who It's For

Perfect for beginners, returning players, and golfers looking for a structured tune-up with clear progress over five sessions.

How to Book

Contact the Golf Shop or reach out to Chandlir to reserve your package and start building your plan.

Why this package works

This package combines private instruction with on-course coaching, helping you practice the right skills and then apply them where it matters most.

To schedule your lesson package, please contact the Golf Shop.
