My name is **Melissa Fain** and I am very pleased and proud to announce the 2021 Our Country Day Celebration. As the Commander of our 2022 Independence Day celebration, I want to welcome you and your family to our annual event. Our community depends on one another to work together and accomplish our common goals and needs. We are all in this together.

We are blessed to live in a free country with rights, privileges, freedoms and opportunities; it binds us as a nation. But this did not happen without a price. We must honor those who sacrificed their lives so that we could live free. It is something we should never take for granted; because of their sacrifice, we live free and simple things such as this event would not be possible.

Our Theme this year will be:
"One Nation"

This year our theme represents the remembering our past, celebrating today and treasuring our future. This time of year everyone likes to gather with friends and family to Celebrate the Fourth of July. This year lets celebrate not only the men and women who have served our Country on the front lines but everyone that makes up the nation. We are one nation standing together through thick and thin. Our Country Day is honored to Celebrate with you, your family and your friends with fireworks.

I want to give special thanks to all the people that continue to support our community efforts and have stepped up to make this year's event another successful one.

Melissa Fain, 2022 Commander

Our Country Day is a not for profit corporation whose sole mission is to provide an Independence Day celebration for the Keystone Heights community and surrounding area. City Donations, Fundraising, sponsorships, CRA funds, and wristbands sales all help to offset the cost of putting on this spectacular annual event.
