Macon County Health Department
Decatur, Illinois

Macon County Health Department Job Opening

Job Title: Assistant Director of Maternal and Child Health

Job Type: Full-Time

Company Overview: The Macon County Health Department is a Certified Local Health Department that provides clinical and social preventive services for all ages through the operation of various programs, services, and partnerships. Our vision is to lead Macon County to be one of the healthiest counties in Illinois and our mission is to promote the health and healthy practices of all residents of Macon County.

Summary: Assists the Director of Maternal and Child Health with supervision of all Maternal and Child Health Programming at the Macon County Health Department (MCHD) including fiscal; personnel; policy; and procedure. Completes all quality assurance reviews and initiates needed policy and procedural changes.

Minimum Qualifications: Registered Nurse (R.N.): An individual licensed as a professional nurse under the Illinois Nursing Act who can provide proof of current registration with the Illinois Department of Professional Regulation. It is strongly recommended that the R.N. have a Baccalaureate or master's degree. It is strongly recommended that R.N.s have experience or course work in maternal and child health and in maternal and child nutrition, lactation, nutrition assessment and nutrition education if they will provide nutrition or breastfeeding counseling.
