Macon County Health Department
Decatur, Illinois

Macon County Health Department Job Opening

Job Title:	Public Health Registered Nurse
Job Type:	Part-Time (Tuesday-Wednesday-Thursday / 21 Hours Per Week)
Company Overview:	The Macon County Health Department is a Certified Local Health Department that provides clinical and social preventive services for all ages through the operation of various programs, services, and partnerships. Our vision is to lead Macon County to be one of the healthiest counties in Illinois and our mission is to promote the health and healthy practices of all residents of Macon County.
Summary:	As a Public Health Registered Nurse at the Macon County Health Department, you will play a vital role in delivering essential healthcare services to the community. This position is key to our mission of enhancing public health and ensuring access to quality care for all residents. This position will perform nursing functions in all areas of the Clinical Nursing Division: communicable disease, Sexually Transmitted Infections (STIs); Tuberculosis (TB); lead testing, foreign travel consultations and vaccinations, and immunization clinics. Must be able to establish and maintain positive working relationships with clients, healthcare providers, community agencies, the public, and other professional personnel. Must have the ability to work with diverse community groups.
Minimum Qualifications:	Registered Nurse (RN)
Salary:	\$30.00 Per Hour
Position Benefits:	Paid Time Off
How to Apply:	Applications can be picked up at the Macon County Health Department Front Desk at 1221 E. Condit, Decatur, Illinois, or you can go to our website, www.maconchd.org to print a copy of the application. Completed applications should be emailed to hr@maconchd.org .

The Macon County Health Department is an Equal Opportunity Employer and Drug Free Workplace.
