REPORT OF THE CLERK

1. REPLACEMENT OF SOUND SYSTEM IN THE CARNEGIE PARISH HALL

- 1.1 The current sound system in the Carnegie Parish Hall has been used for several years and is no longer meeting the needs of the community council's hall users. Reports from users indicate poor sound quality, unreliable operations and lack of compatibility with modern devices.
- 1.2 Over the last few weeks, the system has become unrepairable which as resulted in complaints from users.
- 1.3 Officers have sought quotes for a new system that is clear, wireless compatible, simple, user friendly along with a robust design suitable for frequent use.
- 1.4 The quotes below are for Members to consider and agree how they wish to proceed.
 - a) Full system with 800w speaker at a cost of £511.63 +VAT
 - b) Full system with 1000w speaker at a cost of £575.16 +VAT

2. RECOMMENDATIONS

- 2.1 To replace the current system and agree to company A or company B

2.2 Agree that the cost is taken from the Parish Hall repairs and maintenance budget.
