REPORT OF THE CLERK

- 1. MOBILITY AND PEDESTRIAN AIDS PROVISION AT TY ILLTUD CAR PARK**
- 1.1 Following on from a report from the Clerk in accordance with Minute No. 24 of the Leisure and Amenities Committee held on 17 November 2022, the Clerk, the Chair and one of our operatives arranged to meet an officer from RCT CBC to discuss the plans to add and improve disabled parking facilities to Ty Illtud car park and to obtain costings.
- 1.2 They met with Dewi Edwards, Principal Engineer at RCT Highways, on 29th March, at the car park, who has now provided the quote for the work set out below:
 - Install dropped kerb section in vicinity of zebra crossing.
 - Increase width of existing footway to 1200mm.
 - Supply and lay concrete path edgings.
 - Supply, lay and compact Type 1 sub-base to regulate levels.
 - Supply and lay 50mm thick binder course and 20mm thick surface course tarmac and tie into existing highway footway.
 - Remove existing hoop barrier and reduce length to accommodate increased footway width and refix.
 - Remove existing hoop barrier from area of previous entrance/exit to create 1200mm opening. Refix and reinstate surrounding tarmac.

- Excavate and repair 3 no. defective areas in car park with 60mm thick binder course and 40mm thick surface course tarmac.
- Convert existing parking bay to disabled bay near zebra crossing.
- Refresh parking bays and cross hatching in centre of car park.
- Introduce cross hatching adjacent to existing disabled parking bay at northern corner of car park and footway with pedestrian symbols.

- Total: £5040 + VAT.

2. RECOMMENDATIONS

- 2.1 Members are asked to consider the above quote and make a recommendation to Council whether to go ahead with the work estimated.
