REPORT OF THE CLERK

1. COMMUNITY EVENTS PROGRAMME 2027/28

1.1 The purpose of Report: To seek Members' views and suggestions on the proposed programme of community events for the 2027/2028 Municipal Year to assist with the preparation of the Council's annual budget**.**

(Attached at Appendix 1 are a list if suggestions for Members to consider and build upon)

1.2 The Community Council recognises the importance of providing a varied programme of events and activities for residents across the Llantwit Fardre Community Council area. These events provide opportunities for residents of all ages to come together, celebrate the local community and participate in activities throughout the year.

1.3 The Council currently has an events budget of £30,000 for the 2026/2027 financial year. As preparations begin for the 2027/2028 Municipal Year, consideration needs to be given to the events and activities that Members would like the Council to organise, support or deliver during the forthcoming year.

1.4 In order to inform the budget-setting process, Members are invited to consider the types of events they would like to see provided for the community and to put forward suggestions for new events and initiatives.

1.5 Members are encouraged to think broadly about the programme, taking into consideration opportunities for children and young people, families, older residents and the wider community. Suggestions for new and innovative events are particularly welcome, as well as ideas for developing or improving events that have previously been held.

1.6 Once Members' views and suggestions have been received, the proposed list of events will be reviewed, with indicative costs and resource implications considered. This will help establish an appropriate events budget for 2027/2028. A further report will be presented to the relevant Committee and Full Council for consideration and agreement.

2. FINANCIAL IMPLICATIONS

2.1 The Council will need to identify an appropriate budget allocation for community events for the 2027/2028 financial year.

2.2 The final budget requirement will depend on the events Members wish to take forward, together with the associated costs of organising and delivering each event. These costs will be established once the proposed programme has been identified.

3. RECOMMENDATIONS

3.1 Members are requested to consider the Council's community events programme for 2027/2028.

3.2 Members are invited to put forward suggestions for events they would like the Council to organise or support, including any new ideas or initiatives that would benefit residents across the Community Council area.

3.3 Members are requested to provide their views and suggestions to the Clerk to enable a proposed programme of events and associated costs to be prepared.

3.4 That a further report be presented to Committee and Full Council outlining the suggested events and proposed budget requirement to inform the 2027/2028 budget-setting process.
