COUNCIL MEETING

28TH September 2026

REPORT OF THE CLERK AND EXECUTIVE OFFICER

1. REPLACEMENT OF ACCESS GATE – TY Y CRAIG MAOUNTAIN AREA

1.1 The purpose of this report is to seek Council approval for the replacement of the existing access gate serving the Ty y Craig Mountain area, as the current gate has deteriorated beyond economical repair

1.2 The existing access gate has reached the end of its serviceable life and is now in a condition where repair is no longer considered practical or cost-effective. Continued use of the gate in its current condition may also create difficulties in maintaining secure and appropriate access to the area.

1.3 A quotation has been received from the supplier who carried out works on the gate at the ridings play area which was installed to a high standard. The quotation received was a total cost of £3,195 +vat which covers the replacement of the existing gate and associated installation works.

1.4 The proposed expenditure would be taken from the parks and outside works budget heading

2. RECOMMENDATIONS

Members are asked to:

2.1 Note the condition of the existing access gate and that it is considered beyond economical repair.

2.2 **Approve** the replacement of the access gate at the Ty y Craig Mountain area.

2.3 Approve expenditure of £3,195, subject to confirmation of the quotation and VAT status.

2.4 Authorise the appropriate officer to instruct the contractor to proceed with the works in accordance with the quotation and the Council's procurement requirements.
