Nursing, Long Term Care and
Rehabilitation**

South Side, Chicago, IL

Salary : \$135k - \$145k

REDFORD HEARTH

Redford Hearth are assisting a leading provider of Skilled Nursing, Long Term Care and Senior Living services in the search for a Regional Nurse Consultant. The company operate over 80 facilities across 9 states and they are still growing through new developments and acquisitions.

We are retained to recruit a Regional Nurse Consultant to cover 5 Skilled Nursing and Long Term care facilities in Southern Chicago, Illinois. The successful candidate will be a Registered Nurse with license to practice in Illinois and previous experience in Senior Management of clinical services.

Role requirements

- Previous experience leading clinical aspects within a Skilled Nursing, Long term care, Memory care or Senior Living.
- Registered Nurse with license to practice in Illinois.
- Conducting on-site inspections and quality checks to ensure the delivery of quality nursing care inline with Company policy and Government regulations.
- Working with Administrators and Directors of Nursing to develop long term plans to ensure positive resident outcomes.
- Leading training for on-site Directors of Nursing and Registered Nurses.
- Assisting in the hiring of Nurse managers within Illinois.

You will be rewarded with a highly competitive salary, excellent clinical support network and a clear pathway towards a Chief Nursing Officer position.
