Our Vision

To be the leading provider of innovative glass and aluminium solutions, transforming architectural visions into stunning realities while setting new industry standards for quality and craftsmanship.

Our Mission

As EverAlu , we strive to manufacture and supply the highest quality aluminium products built to exceed client expectations. In order to be consistent in this area, we use only the best suppliers of aluminium, glass, and door and window hardware. All our items carry standard warranties and backup where needed.

Products & Services

EverAlu specialize in new installations and renovation projects.

Why EverAlu?

Custom Solutions

- Fully adaptable to fulfill your unique requirements.
- Designs crafted to align with your vision, providing endless possibilities while overcoming system constraints.

Quality Control

- Thorough oversight from start to finish.
- EverAlu collaborates with local extrusion manufacturers to guarantee compliance with South African safety regulations in line with AAAMSA standards.

Efficiency

- Accelerated lead times without intermediary involvement.
- Demonstrated success with projects such as Vaal Mall and GreeDING Stone Mall, highlighting our capability to excel in high-pressure situations.

Expertise

- A combined experience of 53 years you can rely on.
- Dependable partnerships and skilled in-house installers; EverAlu employs its own team rather than subcontractors, ensuring complete accountability from manufacturing to project completion.
- We provide complimentary consultations and 3D renderings.

Plus, enjoy a 10-year warranty along with lifetime support.
