Dear Parents,

We know that a Catholic school education requires every family to make some degree of financial sacrifice. Because we never want cost to be the determining factor as to whether or not a child can attend a Catholic school, the Diocese of Baton Rouge offers a variety of resources for families to receive tuition assistance. Although the attached flier provides more detailed information about each program, please see the summary below:

Options for assistance for qualifying families at Sacred Heart:

- Diocese of Baton Rouge Bishop's Annual Appeal Fund
- Black and Indian Mission Fund
- STO - ACE Scholarships
- STO - ARETE Scholarships
- STO - Aspiring Scholars Scholarships
- LA Gator

STO Scholarships are stackable for more assistance.

Application deadlines for all STO scholarships and LA Gator are set for April 15, 2026.

For students who have been enrolled at Sacred Heart for one year or more, the school has a limited fund for assistance for families who do not qualify for the above programs. Families must apply for Diocesan assistance before consideration.

We value your commitment to achieving a Catholic education for your child and want to walk with you on your journey. If you have any questions regarding assistance, please contact me directly at awilliams@sacredheartbr.com.

In Your Service,

Alexis Williams, Administrative Assistant
