The Prairie Star

News from Bethel and Goshen Moravian

November 2026

NOTES FROM THE PARSONAGE

As you may have noticed this is a 6 week newsletter and new format. We are covering the end of October and November. What a great time of year and so many things to celebrate and enjoy. Sunday Funday at Goshen and Sunday School at Bethel. Our annual Thanksgiving service at Bethel will be held on Tuesday evening this year and of course Mission Festivals at our churches where we have the opportunity to hear about Missions of our Moravian Church. Missions that are happening worldwide and about work that is going on in the Fargo Moorhead area. Many of you are headed south for the winter and pray blessings as you are away. So as the Pastor always says in their Thanksgiving Newsletter in a nutshell what are you thankful for? Between now and Christmas you all will be busy. Harvest, Sports, Hunting, Church Activities and the list is probably longer. Psalm 107:1
"Give thanks to the Lord, for He is good; His love endures forever." Know that I am thankful for you and continue to ask God's richest blessings on you and your family.

Serving Him and Serving you

Pastor Joel
