News from Bethel and Goshen Moravian

November 2025

Notes from the Parsonage

Well harvest is in full swing. From what I have been hearing some of you at varying levels of done. There have been both major and minor setbacks. Yet your attitudes and perseverance are strong. Religious education for our little ones has started or will be starting very soon and those of you participating THANK YOU VERY MUCH! Pastor Eric has pull out for his new ministry at Hope Moravian in Indiana so we pray for him and Shepherd and Goshen during this transition. Our Joint Thanksgiving Service for this year will be at New Hope in Leonard. Advent starts the last Sunday of the month and we are two months away from Christmas. Don't forget our Annual Meeting if there isn't enough to do already. GIDDY UP. What came to my mind considering our Harvest theme. John 4:35 Jesus talks about the harvest. He said it is 4 months away in that context but as you are experiencing it is upon us now. Yet Jesus tells them that the fields are ripe for the harvest. Now for them as you read the verse. There is also a spiritual harvest that we all participate in. We help those who are in need of faith, spiritual direction, uplifting, encouragement and you could probably name others. Look to that spiritual fields harvest those souls that you can touch. Be that person of faith that others can look up to.

Serving Him and Serving you,

Pastor Joel
