Legacy Giving

Legacy giving promotes after-lifetime giving in order to sustain valued organizations and vibrant Jewish communities. By participating in after-life giving, you not only have the piece of mind that you're providing for future generations, but you'll also receive:

- Personal concierge services to support your needs - including registration for camps, events, and other programs
- Invitations to exclusive events with JCA Leadership
- Three complementary tribute cards per year
- Recognition in our Annual Report and on our website
- Leave a lasting legacy to the JCA

Tree of Life Society

With endless gratitude to Rachael and Justin Alford for pioneering this giving society in 2020 along with the individuals below who stepped up to show their unwavering support. This giving circle recognizes donors of any giving level who double their Annual Campaign gift as well as those who increase or maintain their Tree of Life giving level in future campaigns. Those who step forward embrace Tikvah - hope - for the future, and ensure the ongoing strength of this amazing community.

LION OF JUDAH & POMEGRANATE SOCIETY

Lions of Judah are a group of the most dynamic, philanthropic Jewish women in the world. They set an exemplary standard of leadership and giving by making an annual federated campaign donation to the JCA in the amount of \$5,000 or more. Lions of Judah are a strong group of women of all ages, who care deeply about the Jewish future.

The pomegranate is a symbol of a woman's commitment and compassion for the Jewish people. This giving level represents the best of what Federation does - bringing together like-minded donors to do a world of good. To qualify for the Pomegranate pin, a woman donates \$1,800 or more to the JCA's Annual Campaign.
