Commercial Cleaning &
Janitorial Services

MASTER CLEANING, INC.

About us

Founded in 2014, Master Cleaning, Inc. is a minority-owned company dedicated to upholding fundamental values such as inclusion and excellence. Our expertise lies in providing tailor-made commercial cleaning services for various sectors, serving small businesses as well as medium and large corporations.

Our success is attributed to the pivotal role played by our dedicated workforce, whom we consider essential for our strategic growth. With a committed team, our emphasis on honesty and a strong work ethic sets us apart. Through meticulous screening and continuous training initiatives, we ensure that our personnel possess the necessary skills to meet industry standards. As a proud member of BOMA and affiliated with ISSA, Master Cleaning, Inc. holds certification as a CIMS service provider, underscoring our commitment to maintaining high standards of quality and excellence.

Mission

Our mission is to stand as the leading company, offering innovative and intelligent solutions that seamlessly address all your company's needs with excellence, ease, and affordability.

Vision

At Master Cleaning, Inc., our core business philosophy revolves around prioritizing quality and ensuring customer satisfaction. This unwavering commitment is reflected in every facet of our actions, relationships, processes, and operations.

Delivering Data Excellence: Empowering Customers with Cutting-Edge Technology

Our in-house janitorial software automates tasks, tracks employee data, manages SOWs and Work Orders, and provides analytics with dashboards. This commitment to cutting-edge technology ensures efficient, transparent, and high-quality cleaning services in our day-to-day operations
