

ChargerGoGo

POWER THE WORLD

What is ChargerGoGo?

ChargerGoGo is the leading provider of the shared commercial phone charger network. We provide a network of portable charging stations that contain portable phone chargers. Whenever you need to charge your phone, just pick up a portable battery that includes everything you need to charge on-the-go. When you're done, just drop off the battery at any charging station near you.

Value Proposition

Help brands to know their customers better

Increase foot traffic

Advertising & promotion opportunities

Enhance customer satisfaction
