April 2024

Note: The agency is going to introduce an online registration system for EarlyON programs. Please use the following link to create your account and register for the program.

<https://wsncc.recdesk.com/Community/Member/Signup>.

Our staff will be pleased to assist you if you find any difficulty to register online.

Encourage your child to reflect before acting:

- Play the “What next?” game. Tell him or her about a challenging scenario, then ask, “What next?”
- Encourage your child to use words when problems arise (e.g. I am mad). During a disagreement, allow your child to express his or her emotions – both positive and negative and encourage your child to listen when others express their emotions.

Family Support (by appointment): Staff team is available to meet with you on every Friday from 1:00 to 3:30pm either in person or zoom. Please email staff to book your time to discuss about your child’s development, parenting information or any other information that you are looking for. Our professional staff team will be happy to assist you.

Programs Below Require Pre-Registration:

*All Parties

* **Meeting the Milestones:** is an interactive program for parents and their children (18 months to 4 years of age) who need additional developmental support. The program is designed to focus on a theme that is connected to a developmental domain. Activities and materials are tailored to the needs of individual children enrolled in the program. Parents/caregivers are encouraged to actively participate in play activities while staff model play-based learning strategies.

* **Kindergarten Readiness** is a **pre-registered independent school readiness program** for children who will attend Junior Kindergarten for the first time in the fall. It enhances children’s ability to separate from their parent/caregiver and develop/enhance skills necessary for their entrance into Junior Kindergarten.

Your feedback is highly appreciated. Please, feel free to email us.
