**Note:** The agency is going to introduce an online registration system for EarlyON programs. Please use the following link to create your account and register for the program.

<https://wsncc.recdesk.com/Community/Member/Signup>.

Our staff will be pleased to assist you if you find any difficulty to register online.

## Limit Computer and Television:

- Young children's brains are hardwired to learn through doing. That is why exploratory experiences are so much better for their cognitive and language skills than passive experiences like watching TV or playing on a computer.
- Limit television and computer time and look for ways to engage the whole family in activities like board games, creative play and family literacy programs in the community.

**Family Support (by appointment):** Staff team is available to meet with you on every Friday from 1:00 to 3:30pm either in person or zoom. Please email staff to book your time to discuss about your child's development, parenting information or any other information that you are looking for. Our professional staff team will be happy to assist you.

## Highlights of the Month

The Centre will be closed on Friday March 29<sup>th</sup>, Saturday March 30<sup>th</sup>, and Monday, April 01<sup>st</sup> for Good Friday and Easter Monday.

There will be No Program in the afternoon of Friday, March 01<sup>st</sup> due to Professional Development

## Programs Below Require Pre-Registration:

### \*Easter Party

\* **Meeting the Milestones:** is an interactive program for parents and their children (18 months to 4 years of age) who need additional developmental support. The program is designed to focus on a theme that is connected to a developmental domain. Activities and materials are tailored to the needs of individual children enrolled in the program. Parents/caregivers are encouraged to actively participate in play activities while staff model play-based learning strategies.

\***Fun with Letters** is an early learning program with a focus on letters. This is an interactive program for children 3-4 years.

**Your feedback is highly appreciated. Please, feel free to email us.**
