August 2025 Program Descriptions

<i>Programs for children from birth to 6 years old with their parents /grandparents / caregivers</i>		
Family Together (0 – 72 months) This program focuses on quality time between caregivers and children. It helps them explore the fun of learning by participating in arts creation, songs & stories, games and activities.	Tots Corner (12 – 36 months) This program helps children develop their cognitive, language, and social skills through sensory play, musical movement games, songs and arts creation.	Fun with Babies (birth – 12 months) This program promotes infant's overall development through songs & rhymes, finger plays, stories and parent-child interactive activities. We will also provide parenting information sessions.
Open Door (0 – 72 months) An opportunity to play and socialize with others and speak with staff members to get up-to-date information about EarlyON programs, community resources available for the whole family beyond the early years.	* Little Scientist Fun Club For children aged 3 – 4 with their parents/ caregivers. This program helps cultivate children's interest in exploring the wonders of science and strengthens their inquisitive thinking and creativity.	* Tots & Caregivers Fun Club For children aged 18 – 30 months old with their parents/ caregivers. Contents include plenty of messy and fun activities, and exploring new ways to support your toddler's learning and development.

No registration is required except programs with an asterisk []. Spots limited for 12 adults & 12 children. First Come First Served.*
