April 2025 Program Descriptions

<i>Programs for children from birth to 6 years old with their parents /grandparents / caregivers</i>		
Family Together (0 – 72 months) This program focuses on quality time between caregivers and children. It helps them explore the fun of learning by participating in arts creation, songs & stories, games and activities.	Tots Corner (12 – 36 months) This program helps children develop their cognitive, language, and social skills through sensory play, musical movement games, songs and arts creation.	Fun with Babies (birth – 12 months) This program promotes infant's overall development through songs & rhymes, finger plays, stories and parent-child interactive activities. We will also provide parenting information sessions.
Open Door (0 – 72 months) An opportunity to play and socialize with others and speak with staff members to get up-to-date information about EarlyON programs, community resources available for the whole family beyond the early years.	* Preschool Learning Time For children aged 30 – 48 months old with their parents/ caregivers. This program will help enhance children's self-help skills and social skills, as well as strengthen their general knowledge. Additionally, parents will get practical ideas on how to support their children's learning.	* Music Circle For children aged 18 – 30 months old with their parents/ caregivers. This program will help children develop an interest in music through a variety of musical games and activities. Children will experience basic music concepts such as steady beat, rhythm, and simple melody.

No registration is required except programs with an asterisk []. Spots limited for 12 adults & 12 children. First Come First Served.*
