Note: The agency is going to introduce an online registration system for EarlyON programs. Please use the following link to create your account and register for the program.

<https://wsncc.recdesk.com/Community/Member/Signup>.

Our staff will be pleased to assist you if you find any difficulty to register online.

Encourage your child to reflect before acting:

- Play the “What next?” game. Tell him or her about a challenging scenario, then ask, “What next?”
- Encourage your child to use words when problems arise (e.g. I am mad). During a disagreement, allow your child to express his or her emotions – both positive and negative and encourage your child to listen when others express their emotions.

Family Support (By appointment): Staff team is available to meet with you on every Friday from 1:30 to 3:30pm either in person or zoom. Please email staff to book your time to discuss about your child’s development, parenting information or any other information that you are looking for. Our professional staff team will be happy to assist you.
