## Program Guidelines-Highlights of the Month: Interaction with Children

At our EarlyON centres, we encourage parents/caregivers to spend quality time engaging with their children. To support meaningful interaction, the use of personal electronic devices (cellphone, tablet, etc.) is discouraged in all of our programs. Your active participation helps create a nurturing, fun, and supportive environment for your child to learn and grow.

*\*Please see our full EarlyON guidelines posted in the program room for more details.\**
