23RD LEGISLATIVE CANDIDATE ECO-FORUM

Join us for a panel discussion of candidates running for State Representative 1 and 2 for Washington's [23rd Legislative District](#). The forum will be moderated by KEC's **Betsy Cooper** who is also a member of the [League of Women Voters](#).

State Representatives play a key role in shaping state policy, including environmental legislation and budget decisions that directly affect Kitsap County communities and natural resources.

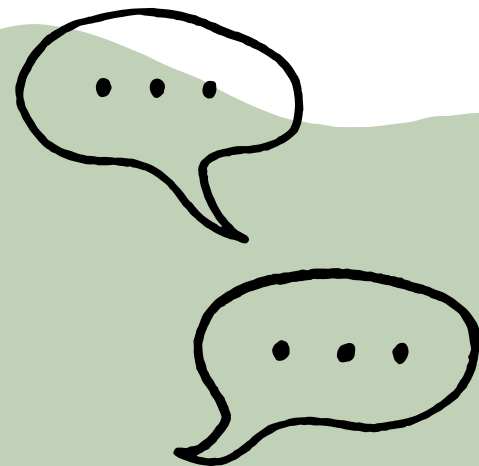

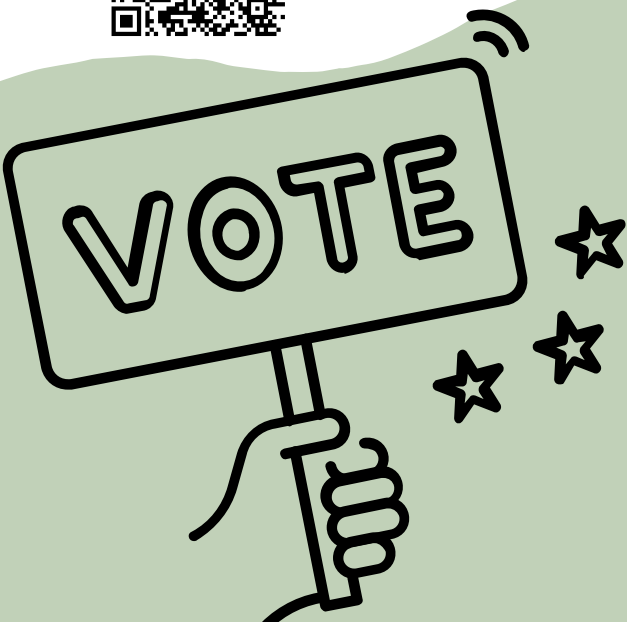

We hope you'll take this opportunity to meet the candidates and hear from them directly on environmentally-related topics!

The event will also feature philosophy and artwork of local Educator, Humanist, Holistic Healer, and artist [Edward Frodel, PhD](#).

This is intended to be a family-friendly event – kids crafts and refreshments will be available. Please feel free to bring something to share!
