KITSAP COUNTY COMMISSIONER CANDIDATE ECO-FORUM

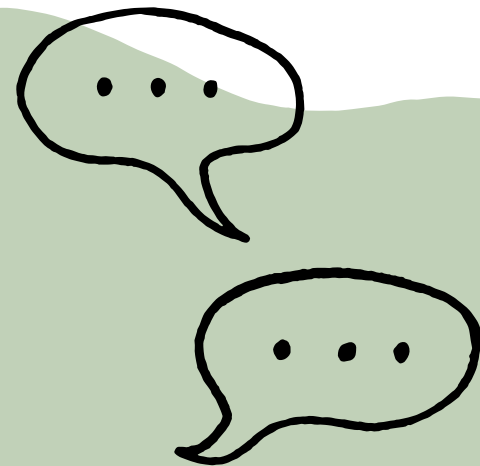

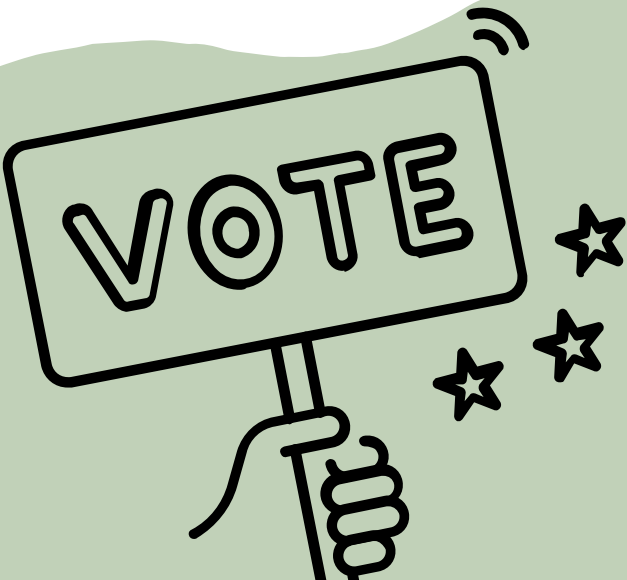

Join us for a candidate forum with the two candidates running for County Commissioner for District 3: **Katie Walters** and **Kevin Tisdell**. The event, moderated by KEC member Betsy Cooper, will ask the candidates to answer questions on environmental issues facing Kitsap County. The County Commissioner is the government position that citizens interact with most directly and this election affects all of us in Kitsap County.

Come to meet the candidates and participate in this important event! This will be the only opportunity for the public to hear from them on these environmental topics, and may be one of the few times they will face each other before the election. Space at this event is limited: [Register to attend](#) and [submit an environmentally-focused question](#) for consideration.

After the break we'll have time for a discussion, led by KEC-member Donna Branch-Gilby, about the Proposition 1 ballot measure regarding an Electric Service feasibility study. [Learn more from KPUD](#).
