

Wherwell Parish Council

A meeting of the Parish Council took place on
Tuesday 14th April 2026 at 6.30pm, at the Colonel Jenkins Memorial Hall

Minutes

1. **Present:** Cllrs Sean Hutton (chair), Cheryl Barnes, Peter Bryant, and plus Philip Warner (clerk).

2. **Apologies for Absence:** Cllrs Blazdell and Young sent their apologies.

3. **Public Participation:**

Several members of the public attended including the owner of the White Lion, who came to present his thinking to the community on his application to rename the pub as the Daft Dog when it reopens after his major refurbishment of the buildings.

He noted that the commercial advice received was that modernisation of a business is often associated with a new image including new signage and his advisors recommend a new modern name to create a branded entity for the whole business that is more than just the pub, and includes a café, pub, restaurant and inn with 8 rooms. He believes the considerable investment in the pub requires a new start with a new name. He also noted that he is aware of the history of the pub and intends to incorporate a display on the premises including returning the “cannon ball” to the pub.

7 members of the public spoke in response. They all noted their appreciation for the investment that made in the village and recognised that without this the White Lion would probably have been closed permanently. Some were supportive and some raised various levels of objections to renaming the pub. It was generally felt that the name of the White Lion had such a long association with the village that it would be sad to lose that attachment.

It was suggested by Cllr Hutton that perhaps the name of the White Lion could be retained within the overall business, perhaps linked to the new café rather than the pub. This suggestion was supported by several members of the public.

Cllrs then discussed and noted that other local pubs had also changed names (e.g. the Seven Stars is now the Mayfly). They thanked the owner of the pub for his investment, without which there would be no more pub, and agreed they had no objection to changing the name.

4. **Declaration of Interests:** there were none reported for this meeting.

12. Parish Administration & Correspondence:

- a. Cllr Hutton reported that he has received a request from the owner of a local nursery about the possibility of renting space at WPF pavilion. They need to vacate their current premises by April 2027 as they are being refurbished. They need space for the whole working day Monday to Friday and would therefore have to pay considerable rent. However, accommodating this request would be difficult as there are already some current users of the Pavilion. Although current users do not generate as much rent, they are both from the local community which we need to support.

Action – Cllr Hutton proposed that he investigate options to accommodate this nursery as well as existing users.

- b. The Clerk reported that Alison Helyer (Community Engagement Ranger HCC) will now attend the WPC meeting on 12th May.
