

PROFESSIONAL ORGANISERS

LUXURY IN-HOME & CORPORATE PROFESSIONAL ORGANISING

Why us? What we do

We are Professional Organisers. We bring functionality and peace into your home, work, or office environment. We take your space from chaos and turn it into order, putting systems in place to be able to keep things as they are meant to be, long after we are gone. This creates a happy and more productive home for the whole family, not to mention how beautiful and aesthetically pleasing it is to the eye. We create a beautiful home - the home you always wanted.

BEING ORGANISED ISN'T ABOUT BEING TIDY, IT'S ABOUT CREATING FUNCTIONALITY & STRUCTURE TO ACHIEVE YOUR GOALS.

HOW WE WORK

Firstly, we do a needs analysis of the area that needs to be decluttered/organised, to assess your requirements & expectations. We discuss your time frame, budget, start and end time. We work alone, with you or your staff, depending on your requirements.

For home and personal space, we charge R1000/hour for the 2 of us for decluttering and organising. Our basic flat rate is R5000 for a 6-hour day (No lunch breaks are taken). I do charge R700/hour for myself, and R600 per hour for the rest of the organisers and R7/km for our travels.

We mainly work project-based, and the above is just a guideline. We require a 70% deposit to secure your dates. Outstanding fees are payable at the end of the project via EFT. We containerise where necessary & come with the containers that are required. We charge R850 for a consult plus VAT for our time and travel costs. (Unless it's outside of Gauteng, then we charge R7/km instead).

We can, however, do a virtual consult 1st (it's free) where you WhatsApp us a 90-second video of your space. Pretend we are with you and chat with us through your concerns. Also, send us some screenshots of what you liked from our work (if you like), and we will give you a verbal cost estimate that way.

Then we can either courier you the products or you do it yourself. Or you hire us, and we do it for you. Please send us your full details. Name, surname, email address, cell number, as well as your home address for the quote to be sent accurately.

We hope to do magic in your home.
