## Opportunities for Stewardship of Time and Talent

### The Call to Stewardship.....

Where the *gratitude* in our HEART and the *work* of our HANDS show our *love* for others by thanking, sharing, and praising God for the gifts we have received.

Please use your Holy Family Ministry Guide Book to better understand the activities of each ministry. Consider and pray about your areas of interest and expertise, check your areas of interest, include your name and contact information, and drop this pull-out section in the collection basket or return it to the parish office. In the space provided, indicate the name of the family member interested. Someone from the ministry will then contact you. *Thank You for sharing your gifts with our parish family!*
