Dear Families,

The Wisconsin School Choice Program (WPCP) allow Wisconsin families, who meet the income, Wisconsin residency, and K-4 through 5th Grade status to attend St. Peter Catholic School without the financial burden of school tuition. An additional benefit of the Choice program involves the parish cost of education each child. As you may know, school tuition only covers a portion of the total cost to educate a student at St. Peter Catholic School. The School Choice program covers the entire cost of a student's education for both your family and parish.

As always, St. Peter Catholic School would love the opportunity to provide a Catholic education to the children in your family. Our greatest honor lies in educating our students in a faith-filled environment, where we incorporate the lessons given to us by Jesus, the importance of service, and the never-ending love shared by God with all of us.

Open Enrollment for the 2026-2027 school year is February 2- September 14, 2026 for the Wisconsin Parental Choice Program. Visit schoolchoicewi.org to learn about this statewide private school voucher program and to see if you qualify.

If you are interested, we will help you answer any questions that you may have, provide more information, and even help you through the registration.

Please feel free to contact Ms. Cheryl Jaeger at 262-644-8083 x3100 or cheryl.jaeger@stpeterslinger.org for more information, specific guidelines to enter the School Choice Program.

God Bless,

Ms. Cheryl Jaeger
Principal
