SERVING THE EMPORIA AREA SINCE 1928

For more than a century, Roberts-Blue-Barnett Funeral Home has been honored to serve the Emporia community with compassion, dignity, and care. Our story began in 1893, when R.G. (Bob) Roberts came to Emporia to serve local families as a mortician. In 1928, he and his son-in-law, Glenn A. Blue, founded the Roberts-Blue Undertaking Company, continuing a proud tradition of service that has carried through generations.

As Emporia grew, so did the funeral home. The business moved to its current location at 605 State Street in 1938 to better serve families with a modern, welcoming facility. Over the decades, the firm became a cornerstone of the community—caring for families through every era of Emporia's history. Following the Roberts and Blue families, Harry and Ailene Barnett, and later their son James, continued that same spirit of service. In 1977, J. Michael Turnbull became owner and guided the firm with professionalism, warmth, and dedication. His leadership, both locally and within the Kansas Funeral Directors Association, reflected a lifelong commitment to the families of Emporia.

Today, that legacy continues under William G. Pike, who began working at the funeral home as a student in 1995 and became owner in 2020. William and the entire staff remain devoted to serving each family with compassion, respect, and personal attention.

Throughout our history, the people behind Roberts-Blue-Barnett have been deeply connected to Emporia—our staff members live here, raise their families here, and care for their neighbors with pride. We maintain active involvement in the Kansas Funeral Directors Association, National Funeral Directors Association, Emporia Chamber of Commerce, Emporia Main Street, and many local civic and fraternal organizations. At Roberts-Blue-Barnett Funeral Home, we believe service to families is service to community. It's our privilege to uphold a tradition of trust that has guided Emporia for more than 130 years.

Policies & Procedures

Privacy Policy:

We are committed to protecting the privacy of the families we serve. While complete confidentiality cannot be guaranteed, we only share information with individuals or organizations directly involved in the funeral arrangements—such as physicians, insurance providers, Social Security, vital records offices, cemeteries, or clergy. We will only release information to banks or credit card companies after they verify key identifying details. For genealogy requests, limited information may be shared if the requester correctly answers security questions through our online form. We do not provide the name, address, or phone number of the person responsible for arrangements. Instead, we forward the requester's information to that individual. **In accordance with Kansas Statute K.S.A. 65-1734, we will only take direction from the legal next of kin when making decisions regarding the disposition of a body.** We reserve the right to withhold information at our professional discretion.

Payment Policy:

At this difficult time, we understand there are many decisions to make. To help prevent any confusion or unexpected financial concerns, we ask that all families take a few moments to review and understand our payment policy. Payment Is Required Before Services Are Provided. All funeral services must be paid in full or verified **prior to the obituary being submitted** and/or **24 hours before the day of the service**. Cash Advance items: We are happy to assist with coordinating services and forwarding payment to the appropriate parties that require **advance payment**. These may include:

- Certified death certificates
- Sales tax on merchandise
- Musicians, clergy, obituary placements, or other requested services

- **Prepaid funeral plans with Roberts-Blue-Barnett Funeral Home**

Viewing of a Decedent Policy:

Our funeral home offers two options for viewing a loved one prior to cremation or burial. Families may choose a Private Viewing, which includes a brief, non-ceremonial opportunity for the legal next of kin and their immediate descendants (such as a spouse or children) to view the deceased. This time is scheduled prior to cremation, does not include any ceremonial elements, and is limited in attendance. The fee for this service is $295. For those desiring a more traditional experience, we also offer embalming with public viewing, allowing for a full visitation or funeral service prior to cremation or burial. All viewings are subject to availability and are carried out with the utmost dignity and respect at the discretion of funeral home staff.
