STAGE ONE CAMPUS REVEAL

Thanks to your prayers and donations, we have moved into our school office and we will open our doors on the 27th January 2026 to over 40 students from Years Prep to Three.

We know it is by God's Grace that we have reached the end of a 2025 with a primary school ready to open in January. It is only through Christ, under the protection and intercession of Our Blessed Mother and St John Henry Newman, that we can conclude this year in joyful anticipation of 2026!

In this season of Advent, as we look ahead to Christmas, we want to take a moment to thank you, the community that has grown up around Newman College over the last few years. Your support as we built this first stage of our primary school has been essential.

Looking ahead, we have had to open waiting pools for our Prep classes all the way through to 2030! This gives us significant encouragement for the steady and sustainable growth of Newman College in the years to come.

Please enjoy this first look at our finished stage one works, and continue to keep us in your prayers as our teachers and staff prepare to welcome our inaugural enrolment of students.

THE NEWMAN COLLEGE CAMPUS

"Unless the Lord build the house, they labor in vain who build." Ps. 127:1

We are delighted to share that the Stage One works are now complete, and we have moved into our school offices.

Over the past six months we have successfully undertaken the first stage of our primary school construction. These essential works are what we needed to complete to open our doors in January 2026.

The College signage is up

The school Reception is open - come by and say hello!

The Year One Classroom

What have we done to get ready for January?

- Transformed the existing Hall and Church into new classrooms, admin and a refurbished chapel.
- Built a brand-new double classroom block with amenities.
- Created plenty of space for unstructured outdoor play as well as a dedicated play ground.
- Undertaken extensive landscaping to create a beautiful campus that gives glory to God's creation.

The Principal's Office

Admin and Chapel from the school lawn

One of the final areas we are close to finishing is the school chapel. We are excited to share images of this soon, so follow us on our social media to be kept up to date in the new year!

WHAT NEXT *FOR OUR SCHOOL?*

STAGE ONE IS COMPLETE *STAGE TWO HAS ALREADY BEGUN*

Our first stage of construction is complete, but this is only the start. Over the coming years we will keep expanding to keep up with the demand of our growing school.

In 2026 we will build a brand new double classroom block in the North East corner of the Campus. We are very grateful to the Queensland Government for a capital grant which will assist with this project, but your financial support is so important to the completion of Stage Two.

Your regular donation can make a real difference. Collectively, our regular givers currently contribute more than \$35,000 to our school building fund each year!

BECOME A REGULAR GIVER TODAY

From \$50 a week to \$20 a month, your regular gift helps us to plan the future of our school with confidence.

Will you consider becoming a regular giver today?

From the Staff and Board of Newman College, we
wish you and your families a blessed remainder of
the Advent season, and a joy-filled Christmas when
we welcome the Christ child into our homes,
Churches and hearts!

*Thank you for your continued prayers and support
throughout this year.*

We will see you in 2026
