The Wildwood Shed House — Our Most Accessible Accommodation

The Wildwood Shed House has been specifically designed with accessibility in mind and is Wildwood's most accessible accommodation option. Every detail has been considered to ensure ease of movement and comfort throughout your stay.

Bathrooms — Two Fully Accessible

- No-step shower entry — roll-in accessible in both bathrooms
- Wide barn doors — generous clearance for wheelchair access
- Full wheelchair turning space in both bathrooms
- Grab rails installed — shower and toilet
- Handheld shower head available

Kitchen & Living

- Fully fitted kitchen on ground floor — oven, grill, dishwasher, large fridge freezer
- Dining table for 12 on ground floor
- Two lounge areas — ground floor lounge fully accessible
- Wide open plan layout throughout ground floor

Sleeping Arrangements

- Ground floor sofa bed — guests with mobility needs can sleep entirely on the ground floor without using the mezzanine stairs
- Open plan ground floor — easy movement throughout the main living space
- No steps between the entrance and ground floor living areas

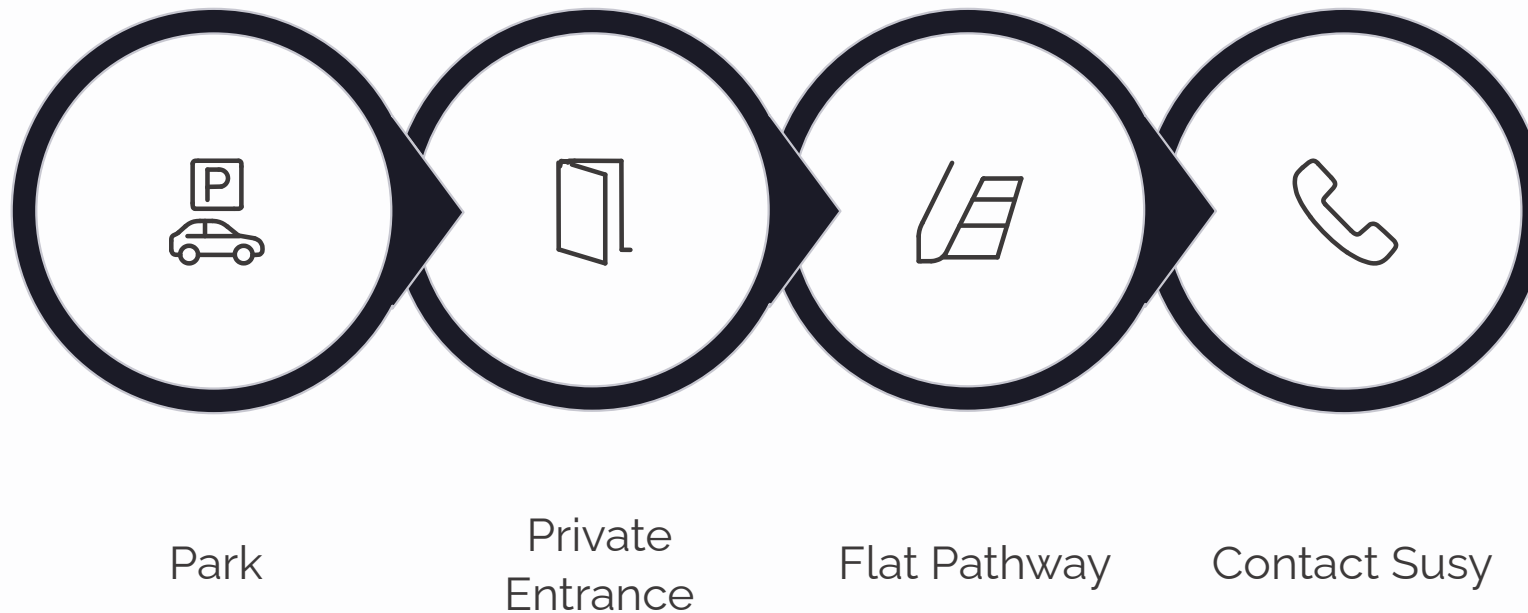

Outdoor Areas

- Outdoor bath outside — please discuss access requirements with Susy
- BBQ area outside
- Wide outdoor spaces around the Shed House

Arrival & Parking

We've made arriving at Wildwood as smooth and stress-free as possible. The Shed House has its own dedicated access route, separate from the main eco tent pathways.

The flat pathway from the Shed House private entrance to the building ensures a seamless arrival experience for guests with mobility needs. Please contact Susy in advance if you require vehicle access directly to the Shed House private entrance – we are happy to accommodate this.

- ⓘ The Wildwood Shed House has its own private entrance – completely separate from the main eco tent arrival path – ensuring a calm, uninterrupted arrival experience.

Eco Tents — Accessibility Information

Wildwood's six eco tents are built on raised platforms and are most suited to guests who are comfortable with steps. The eco tent experience involves walking along natural mulch pathways from the car park to your tent.

Things to Know About the Eco Tents

- Tents are built on raised platforms — steps are required to enter
- Natural mulch pathways connect the car park to each tent
- The terrain is natural bush environment
- Guests with mobility considerations are encouraged to book the Wildwood Shed House as the more accessible option
- Please contact Susy to discuss your specific needs — we will do everything we can to accommodate you

Our Recommendation

If you have mobility considerations, the **Wildwood Shed House** is our purpose-designed accessible accommodation and will provide the most comfortable and seamless experience.

That said, please reach out to Susy — we never want accessibility to be a barrier to experiencing Wildwood.

Not sure which accommodation suits your needs? Susy is personally available to talk through your requirements and help you choose the best option for your stay.
