Direct cremation is a disposition of human remains by cremation, without formal viewing, visitation, or ceremony with the body present. Cremation services are performed by a third-party crematory at an off-premises location. NRV Cremations does not perform cremations at its establishment.

Under FTC regulations, those who offer direct cremations are required to tell you that Virginia state law does not require embalming or the use of a casket for direct cremation.

EMBALMING IS NOT REQUIRED FOR DIRECT CREMATION. NRV Cremations does not require embalming as a condition of providing direct cremation services.

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
