

# **HOW TO ORDER COLLAPSIBLE PORTABLE BAPTISTRIES**

ARM's collapsible portable baptistries cost \$1395 each, plus a \$75 UPS shipping charge per unit. With the exception of orders from jails and prisons, payment is required at the time the order is placed. UPS cannot deliver to a post office box so make sure shipping information is complete and includes a valid street address. Please include a contact name and phone number for the individual responsible for accepting delivery of the unit. ARM will notify them by phone when the baptism is shipped. Any damages should be reported directly to both ARM and UPS as soon as possible. ARM will be happy to provide information or assistance if repairs are necessary.

## **PRISON CHAPLAINS**

Baptistries are free of charge to prisons and jails; the institution only pays for shipping. The unit must be shipped to the correctional facility and will be shipped prepaid. ARM will invoice you at the time of shipment for delivery charges, and payment is due within 30 days. Along with the order form please provide a letter on the institution's letterhead from a person in authority stating that you will accept the baptism as a gift from ARM Prison Outreach and will be responsible for shipping charges.
