08:00 AM - 03:00 PM

THE SAM CENTRE
WEDNESDAY

MLT AIKINS

WESTERN CANADA'S LAW FIRM

00 - NETWORKING BREAKFAST

08:00 AM

01 - WELCOME

09:00 AM

02 - CAPITALIZING THE FUTURE OF AG

09:20 AM

From venture to private equity to banks to dreams and unicorns.
How are we going to mobilize the capital needed to build this
futuristic state?

03 - RESETTling SUSTAINABILITY

09:20 AM

Has the sun set on sustainability or is a Phoenix going to rise from
the ashes? What is the future of sustainability?

04 - NETWORKING BREAK

10:15 AM

05 - HARVESTING ROI FROM AI ACROSS AGRIBUSINESS

10:40 AM

A candid look to cut through the BS to identify genuine value from AI
applied to agribusiness and how can you use it today.

06 - LUNCH

11:45 AM

07 - SACRED COWS LEAVING DAIRY?

12:40 PM

Choking ourselves in red tape? Has supply management reached
end of life? What regulatory frameworks are actually working?
What's the regulatory landscape needed for the next 100 years.

08 - HAVE WE LOST OUR NERVE AROUND LONG-HAUL
INNOVATION?

12:40 PM

How are we going to embark on generational innovation if the private sector
has spin-off fever, government isn't well suited and capital is too short
sighted?

09 - NETWORKING BREAK

01:30 PM

10 - FINANCING STRUCTURES NO LONGER SERVING
ANYONE?

01:45 PM

The world is shifting but so are lending structures. How do we find
win-wins for both lenders and borrowers in an evolving industry
with changing needs on all sides?

11 - CLOSING REMARKS

02:45 PM
