This section provides images of the **facilities** at Sunrise Hospital and **photos posted online by patients**.

We show a small sample of photos of the facilities, waiting areas, patient rooms and furnishings at Sunrise Hospital, along with patient photos that are posted online.

There are many photos showing problems with cleanliness and injuries from multiple attempts at IVs, including one photo where they attempted to do an IV eight times on one patient.

We are also including photos of the 2025 Annual Conference of the **Nevada Hospital Association**, held September 23-25, 2025, at the Tahoe Blue Event Center, near Lake Tahoe, in Nevada.

If you have photos of your experience at Sunrise Hospital and would like to post them on our website, please **contact us**.

Sunrise Hospital has intensive security features including armed guards, metal detectors, pat downs, searches of your body and belongings, lots of

cameras, elevators on the first floor are locked at all times, you need the name and code number for a patient if you want to visit, and they will take your picture and make you wear an ID tag.
