**Patient-120 who was put in a room with 12 other patients at Sunrise Hospital. No privacy. No peace. Denied a bed for countless days and falsely promised a room. Horrible experience.**

Patient was admitted at Sunrise Hospital.

**Had the absolute worst experience of my life here the past 3 days.**

**Denied a bed for countless days as well as falsely promised a room.**

**They had me and about 10-12 people in a room no bigger than my living room. Right next to each other. No space for even our personal belongings.**

**None of us had any peace or privacy.**

Couldn't see loved ones in a comfortable manner.

Had someone pee right in front of me and my mother as I'm getting treatment.

**Genuinely the worst experience I've ever had.**

**I will never be back here -- ever again.**

**If I could rate them ZERO stars, I would.**

**Most horrible medical care I've ever received.**

**Just say NO to Sunrise Hospital**
