

Patient-132

Patient-132 who died less than one week after being at Sunrise Hospital. The staff was rude and showed no compassion. When the family called to ask how she was doing, the nurse only said, "the usual, yelling and screaming all night."

This patient's story is told by the patient's sister.

I would not bring my loved one who is dying of cancer here.

When we called to see how she was doing, the nurse responded, "the usual, yelling and screaming all night."

My sister died in less than a week from that date.

Very poor compassion.

VERY DISAPPOINTED in Sunrise Hospital!!

This is a stock photo of an angry nurse on the phone.

Protect yourself. Just say NO if you are being mistreated at Sunrise Hospital. REMEMBER, you can leave and go to a better hospital.

Just say NO to Sunrise Hospital
